## Editorial Note

In this the fourth issue of The Marketmen News you will see that the club is moving forward on the football front with great success and we will need your continued support to help "live the dream". The intention is that this newsletter will continue to be produced throughout the Summer to keep you aware of things that are planned and any developments during the "close season". But as always if you have ideas for new initiatives please let the committee know.

## A Rollercoaster Ride.

It is great to report that the first team sit proudly at the top of the Ridgeons Premier League going into April. It has been a rollercoaster ride with some good performances and some not so good. What is clear however is that the team has put themselves into an excellent position to complete the work that Danny Laws and many of the first team started nearly three years ago.

On the cups front the first team have two Cup Finals to contest the League Challenge Cup on May 3rd at Diss FC

against Kirkley and the Suffolk Premier Final at Portman Road on April 19th against Ipswich Town Reserves. The season is going to be long and hard but with the great work ethic that the lads have shown to date they should get their rewards.

Make sure you get along to one of the games left this season details on page 7 under forthcoming fixtures, or look on the website [www.needhammarketfc.co.uk](http://www.needhammarketfc.co.uk) to keep track on the "Race for the Title".

## News:

- Darren Bethell has made a good recovery and came on during the Newmarket game on Easter Monday.
- After the recent visit to "Bloomfields" by the FA the ground has passed the requirements for Grade "E" and therefore given the green light for promotion to Step 4 if achieved.

## Ridgeons Premier

The month of March has been a pivotal point in the season for Needham Market FC. We have beaten CRC but dropped points to Leiston and Felixstowe. But as the league table opposite shows we sit proudly at the top of the table. With six league games still to play it is in our hands!

## The Reserves

March was always going to be a difficult month for the boys with two games against Lowestoft Town four defeats on the trot did not bode well but two later wins is encouraging.

Their final seven games of the season include four against opposition above them in the league so they have every opportunity to improve their current position. Attendances at home games has increased.

A miserable March was endured by the ITCT side resulting in a run of six defeats which sees them at the foot of the table. Their remaining league programme in April starts with a game against the league leaders and another two tough games.

With the squad being expanded by those students that have turned sixteen it is hoped that these results will not dent their confidence and give them a glimpse of what they can expect.

## Morsley's Latest Musing

### **The following is an extract from the Website:**

There is no doubting that the past couple of weeks have been exciting with great highs and depressing lows. However as I write these Musings on the day of our home game with Hadleigh United I feel how important it is that we have a focal point for us all to gain inspiration from and I am calling this the 'Needham effect'. Now before you say 'what the hell is the big fella talking about?!' I will tell you.

To achieve the ultimate goal we need everyone pulling in the same direction. The playing personnel and management team are massive but so is the club and so is the support base. We need to hear that drum and Mark's dulcet tones from behind the goal, in the stand let's

bang that wall and really drive the boys on. I cannot overstate how much it gives the players in terms of a lift to get the backing from everyone at every game; home and away. With only two home games left let's get to the away games in numbers and in good voice.

We need to get ourselves on a roll by taking each game as it comes but really lifting ourselves accordingly. No one must underestimate the challenge that faces us but no one is more convinced than me that by all pulling together we can go on to win the ultimate prize. This is not being 'big headed' it is having belief in our club and something we can all play a part in.

## Football in the “Bloomfields” Clubhouse

What are you doing this summer?

How about spending time in the clubhouse watching the World Cup?

What football matches am I talking about?

- ◆ UEFA Europa League Final      12th May      Possibly Fulham and Liverpool?
- ◆ FA Cup Final      15th May      Between Chelsea, Tottenham, Portsmouth or Aston Villa?
- ◆ UEFA Champions League Final      22nd May      Can Man United or Arsenal reach the final?
- ◆ The World Cup      11th June to 11th July      Is this England’s year?

There are bookings already taken for the clubhouse so a full programme of dates and times will be available soon and published in the clubhouse (and the May Marketmen newsletter), so keep the dates above in your diary and look out for the update.

### Breaking News

One of the club’s advertisers, **Wavelength Aerials**, has committed to provide and set up a projector and large screen on which to show these games. So everyone will be able to see the whole game and in the company of supporters of Needham Market Football Club.

## Things to come!

### Suffolk Premier Cup Final

**Monday 19th April** sees the first team playing Ipswich Town Reserves at Portman Road, this is the third consecutive season that the team has achieved this feat.

Having beaten Ipswich Town Reserves in the early rounds of last year's competition only to lose in the final Lowestoft, they will be determined to "put that right" in this year's final. But you can be sure that Roy Keane will be in attendance and this will no doubt spur his charges, so an entertaining game is on the cards.

Entry will be via the turnstiles situated on Portman Road itself and the car park in that road will also be available. This match is scheduled to kick off at 7pm so if you plan to attend get there early.

### "ARMED FORCES DAY"

**Saturday 24th April** is the last currently scheduled home league game for the first team and it also be the final charity event of the season. What better way to end the season than to thank those guys that are doing the government's bidding in hostile circumstances.

So all servicemen in uniform will be allowed free entry to the game for them and their families. The club will also be asked to donate £1 per paying customer along with various initiatives including tombola, bucket collections, etc. The proceeds of these will be given to the **Help for Heroes** charity who will also be invited to provide merchandise for sale.

Please attend this day and if you wish to get involved simply let the club know.
